**THERE IS NO CEASING OF ACTIVITY IF THE SAME CONTINUES BEING PERFORMED THROUGH THE INTERNET, AS IT WOULD NOT BE A SUSPENDED ACTIVITY, EVEN IF DIRECT ATTENTION TO THE PUBLIC HAS BEEN STOPPED.**

However, the other assumption could be accepted if the invoicing had been reduced substantially.

## **SUBSTANTIAL REDUCTION OF THE ACTIVITY**

In the event that its activity is not directly suspended by the Royal Decree 463/2020, of 14th of March, and when its turnover in the month prior to which the benefit is requested is reduced, at least 75% in relation to the average turnover of the previous semester.

### **DURATION:**

It will have a limited duration of one month, extending, where appropriate, until the last day of the month in which the alarm state ends, in the event that it is extended and lasts more than one month.

### **REQUIREMENTS:**

1. Be affiliated and registered, on the date of the declaration of the state of alarm, in the Special Regime of Social Security for Self-Employed or Self-Employed Workers or, where appropriate, in the Special Regime of Social Security of workers at Sea.
2. Prove in your request the reduction of your billing by at least 75 percent, in relation to that made in the previous semester.

### **COMMON TO BOTH EXTRAORDINARY BENEFITS**

- It is not necessary to have coverage for the cessation of self-employed activity.
- You do not need to unsubscribe from your activity.
- **There is no minimum of contribution period to have access to the benefit.**
- Be up-to-date in the payment of contributions to Social Security

However, if on the date of the suspension of the activity or the reduction in billing these requirements are not met, the managing body will invite the self-employed person to pay, so that, within the non-extendable period of 30 calendar days, he will pay the fees due. The regularization of the overdraft will produce full effects for the acquisition of the right of protection.

**AMOUNT:**

- A) If you prove the minimum contribution period to be entitled to the benefit:  
70 percent to the regulatory base, calculated in accordance to the article 339 of the general Social Security law approved by Royal Legislative Decree 8/2015, of 30th of October.
- B) You do NOT prove the minimum contribution period to be entitled to the benefit:  
70 percent of the minimum contribution base in the Special Regime of Social Security for Self-Employed Workers or, where appropriate, in the Special Regime of Social Security for workers at Sea.

**PAYMENT OF THE BENEFIT:**

Monthly in arrears.

**EFFECTS:**

The time of reception of this benefit will be understood as listed and will not reduce the periods of contribution for cessation of activity to which the beneficiary may be entitled in the future.

This benefit is incompatible with any other benefit of the Social Security system.

We are working to give you the best service.

Kindest regards,

Signed: Francisco Jose Bravo Villalba
